SECOND REQUEST FOR CORRECTION OF FILING RECEIPT

Sir:

An error was noted on the Official Filing Receipt for the above-referenced Patent Application for which a Request for Correction of Filing Receipt was submitted on November 6, 2002 (copy enclosed). The error was as follows:

Domestic Priority Data as Claimed by Applicant:

Should read:

This Application claims the benefit of an earlier filing date of PCT/RU01/00083 filed on February 26, 2001, and designating the U.S. and having a priority date of February 29, 2000, from RU2000104684.

35 U.S.C. §365(c) states that "In accordance with the conditions and requirements of section 120...a national application shall be entitled to the benefit of the filing date of a prior

-2-

international application designating the United States..." Under 35 U.S.C. §120 a national application can claim the benefit of an earlier filing date of a copending PCT application designating the U.S. Enclosed is a copy of Form PCT/IB/332 copending with the present application on its filing date showing designation of the U.S. Applicant correctly claimed domestic priority to PCT/IB/332 in the Application Data Sheet and the first sentence of the application. The appropriate correction of the filing receipt is now requested.

PCT/IB/332, in turn, claims priority from RU2000104684 filed on 02/29/2000, which should be reflected in the chain of priority dates. The present application does not claim priority directly from RU2000104684, but the PCT application does, which should be reflected in the filing receipt.

Applicant respectfully requests that the Office of Initial Patent Examination issue a corrected Filing Receipt to show correct priority information.

Respectfully submitted,

Maria M. Eliseeva

RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT

Domestic Continuity and Foreign Priority

In response to your request for a corrected Filing Receipt, the Office is unable to comply with the request because:

- ☐ The priority or continuity claim has not been entered because it was not filed during the required time period. Applicant may wish to consider filing a petition to accept an unintentionally delayed claim for priority. See 37 CFR 1.55 or 1.78.
- ☐ Continuity claimed under 35 U.S.C. § 120 cannot be added to the Filing Receipt without the applicant supplying the relationship (continuation, divisional, or continuation-in-part) in an Application Data Sheet or amendment to the first page of the specification.
- ☐ A claim for priority cannot be made based on an application filed after the application making the claim.
- ☐ Domestic benefit and foreign priority claims will not be captured in a provisional application. A provisional application is not entitled to a right of priority or to the benefit of an earlier filing date of any other application. See 35 U.S.C. § 111(b)(7) and 37 CFR 1.53(c)(4).
- ☐ A domestic continuity claim cannot be made to a foreign application and the filing receipt will only list the foreign country, application number, and filing date.
- ☐ Foreign priority will appear on the Filing Receipt in the following order:
Country, Application number, Filing date.

☐ This application is the result of a conversion from a provisional application. Priority based on such application cannot be made since it no longer exists as a provisional application.

☒ The application(s) to which priority is claimed were filed over a year prior to the filing date of this application. Therefore, the referenced application(s) cannot be claimed as domestic or foreign priority. PCT/RU01/00083, 02/26/01 & RU2000104684, 02/29/2000

☐ To change the benefit claim of a U.S. prior-filed application, applicant must amend the first sentence of the specification (if the benefit claim is referenced in the specification), or provide a supplemental application data sheet (ADS) (if the benefit claim was submitted in an ADS), with the desired benefit claim. Note that once a benefit claim is deleted, applicant will not be able to claim such prior-filed application again, if the above-identified application was filed on or after November 29, 2000.

☐ To change a foreign priority claim, applicant must submit a supplemental oath or declaration (if the priority claim is referenced in the oath or declaration), or a supplemental application data sheet (ADS) (if the priority claim was submitted in an ADS), with the desired priority claim. If a supplemental ADS is submitted, any deletions should be shown with strikeouts. Note that once a priority claim is deleted, applicant will not be able to claim such foreign application again, if the above-identified application was filed on or after November 29, 2000.
